Good Morning Dr. Tramm:

I am sorry that you have not received the reports. They must be lost, so I will send another set of disks containing the reports today.

Thanks,

Hi Bret,

About three weeks ago you mentioned sending electronic versions of EPA-sponsored efforts concerning VI evaluation at Delfasco and other North Texas locations. I am trying to keep up with the latest developments in this area and would like copies. I can send someone over to pick them up if you are having trouble getting them out, or if less than 10 MB, our email can handle it. Or if needed, I can have a ftp set up. Let me know what works best.

Thank you!
